# NEVER OPEN THE DOOR

## DIRECTOR

### Vito Trabucco

Never Open the Door was created in homage to the work of director John Brahm, to pay tribute to our favorite Twilight Zone and Alfred Hitchcock Presents episodes. While retaining the classic black & white feel Never Open The Door is an updated version of these cult TV series.

## SYNOPSIS

Six friends enjoy a holiday getaway when there is a sudden knock at the door. A stranger falls dead and another is lurking outside. The stranger's last words are: never open the door. They are trapped.

The blood he spits up seems to infect one of the women and shortly after that we are confronted with what seems to be her exact clone. Which one is real? Friendships are put to the test as personalities change and some start to crack. No one is safe. And will they ever get out?
